Stay Home, Save Lives. It's not enough to be Compassionate, we must also
 I am making my family and friends aware of the prevention
 we can take to stay safe from COVID-19.
 1. Stay Home when you are sick.
 2. Wash or sanitize your hands regularly.
 3. Avoid close contact with people who are sick.
 4. Cover your cough or sneeze with a face mask.
 5. Avoid large gatherings and shakehands.
